

The Cooking Room: Kitchen Rules

Please be as respectful and careful of our equipment and facility, as you would want your own things to be cared for.

1. You are welcome to use any of the equipment within the building premises as long as it is returned clean and in the same condition you found it, with the exception of the Roboqbo, which is available at an extra cost (TBA).
2. If you damage any equipment you will be responsible for repairing or replacing it. Accidents do happen; please have the integrity to let us know immediately.
3. An immaculately clean kitchen is what we all aspire to. Please make sure that all surfaces, including floors that you use, are left spotless when you leave. You are responsible for supplying your own cleaning equipment, trash bags, soaps, and cleaning supplies. Please let us know, when you arrive, if there is any sanitation problem.
4. Dishes & equipment must be returned to their original places when you leave.
5. All boxes must be broken down flat and placed in outside garbage bin for collection. All other trash must be bagged and also placed outside in bin.
6. Please let us know immediately if there is a problem with any aspect of the facility so we can try to rectify the problem as soon as possible. This includes kitchen equipment, refrigeration, sinks, stoves, plumbing, bathrooms, garbage collection, electrical, etc.
7. One-month advance written notification is required by all kitchen users to terminate kitchen rental. Last month's rent will be forfeited if written notice is not received.
